LHBB's performance Thursday night at Don Quixote's in Felton was magical. The beauty of the vibraphone on "Memories of You" had me in tears. All the musicians tore the house up with their energetic performance. Thank you so much for bringing your project to the Central Valley.

Great show past Sunday @yoshis\_OAK by @JasonMarsalis & the Lionel Hampton Big Band! The band was smokin'. Lots of happy people. Thanks!

Tell the boys they made history and to a sell out crowd who can swing. So BRAVO!
